

Counters in a Cup

You need

- 8–12 counters

- cup

- recording sheet

Play with a partner.

- 1 Decide how many counters to play with. Both players write this number on their recording sheets.
- 2 Count out that many counters.
- 3 Player 1 hides some of the counters under a cup.
- 4 Player 2 tells how many are hidden.
- 5 Player 1 removes the cup.
- 6 Both players count the counters that were under the cup and record that number.
- 7 Keep playing with the same set of counters. Take turns being Player 1 and Player 2.
- 8 The game is over when the grid is full.
