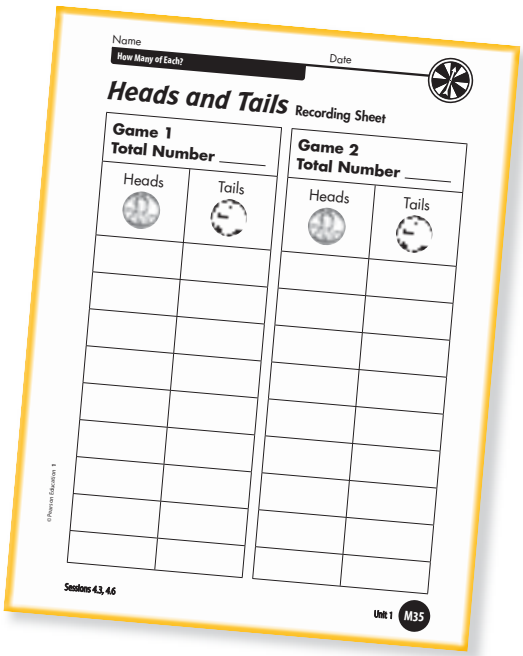
Heads and Tails

You need

- 8–12 pennies
- recording sheet



Play alone.

1. Decide how many pennies to play with. Record this number on the recording sheet.
2. Drop the pennies.
3. Count how many pennies are heads and how many pennies are tails .
4. Record the two numbers on the recording sheet.
5. Keep dropping the pennies and recording how they land.
6. The game is over when the grid is full.
